### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art does not reasonably disclose or suggest a "simultaneously depositing and etching a core layer" which covers an entire surface of the side walls and horizontal surfaces - such as shown in the embodiment of Figures 1A-1C as disclosed at [0023]. Not to be confused with the invention of Figure 4B which has the core layer 22 (only) at the top, and instead has a sidewall layer which covers the sidewalls [0038] ; although (as per [0038]) the "core material" covers all the features, the "core layer" does not.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John Hoffmann whose telephone number is (571) 272 1191. The examiner can normally be reached on Monday through Friday, 7:00- 3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Steve Griffin can be reached on 571-272-1189. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
